## DOMINION ORDERS IN COUNCIL.

[186.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 31st day of January, 1910.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

**WHEREAS** it appears from the representations of companies operating coal-mines acquired under the regulations governing the sale of coal-mining lands, the property of the Crown, established by the Order in Council of 19th May, 1902, and subsequent amending Orders, that the output of the mines includes a considerable amount of material which is not of a merchantable character, and upon which the said companies represent that royalty should not be collected:

Therefore His Excellency is pleased to order and it is hereby ordered that royalty at the rate of ten cents per ton of 2,000 pounds be charged on the merchantable output of the mines only.

His Excellency is further pleased to order, and it is hereby ordered, that in the case of companies operating coal-mines acquired from the Crown under the provisions of the above-mentioned regulations no royalty be charged upon the coal taken from any mine which is used by the operator of such mine for the purpose of generating steam with which to operate the mine and the appliances necessary in connection with such operation. The sworn returns which it is necessary under the regulations for the operator to furnish shall contain a detailed statement showing the total number of tons mined, the number of tons thereof which are of an unmerchantable character and are not sold, and the number of tons used by the operator for the purpose of generating steam with which to operate the mine itself and the appliances in connection therewith.

F. K. BENNETS,

fel7 *Assistant Clerk of the Privy Council.*

[223.]

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

Monday, the 7th day of February, 1910.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

**THE** Minister of the Interior states, under date 27th January, 1910,—with reference to the Order in Council dated 9th September, 1909, cancelling an Order in Council dated 31st May, 1902, which latter Order authorised the issue of a patent for a certain tract of land comprising about 18,000 acres surrounding Coquitlam Lake and River, in the Railway Belt of British Columbia, in favour of the City Council of New Westminster, upon receipt by the Department of the Interior of the sum of (\$250) two hundred and fifty dollars, and upon the said City Council filing in the Department of the Interior, at their own expense, a plan of survey of the tract applied for approved by the Surveyor-General of the Department of the Interior,—that

in the said Order in Council dated 9th September, 1909, an inaccuracy occurs in the recital in the third paragraph thereof, which reads as follows:—

“The said city has not paid the amount stated nor has it caused the said survey to be made, and no patent has been issued for any of the lands to the said City of New Westminster.”

The Minister further states that at the time of this cancellation the fact of the city having paid in (\$250) two hundred and fifty dollars in anticipation of receiving a patent for these lands was overlooked, and when notification was given to the city on the 28th September last from the Department of the Interior of the said Order in Council of the 9th September, 1909, having been passed, the said amount of (\$250) two hundred and fifty dollars was not therewith forwarded.

The Minister observes that on 13th October last the said amount of (\$250) two hundred and fifty dollars was forwarded to the City Clerk of New Westminster with an explanation as above.

The Minister, therefore, recommends that in the third paragraph of the said Order in Council of the 9th September, 1909, the words “paid the amount stated, nor has it,” where they occur in the above-quoted third paragraph, be struck out, leaving the paragraph to read: “The said city has not caused the said survey to be made, and no patent has been issued for any of the lands to the said City of New Westminster.”

The Committee submit the same for approval.
